EXPERIENCE

American Express, London, UK

Technology Summer Intern

June 2019 - August 2019

Worked with MGM R&D team to build an internal tool for text summarization using transfer learning. Gained a complete agile product experience with backend, front-end development, UX, product planning, design sprints, user-testing, alpha-testing and product pitches

Indian School of Business, Hyderabad

Data Science Intern

December 2019 - June 2020

Implemented the India Pulse portal with the DIRI Data Science team to facilitate efficient implementation of public schemes at the rural level by the government.

Lumata Digital, Noida

Data Science Intern

June 2017 - July 2017

Implemented an n-gram sentiment analysis on search text based on username or hashtag that led to over 80% accurate sentiment detection of text and emoticons.

Authbase, Hyderabad

Software Engineering Intern

August 2016 - December 2016

Fabricated the admin interface for the vulnerability search engine. Optimized the breadcrumb model to streamline the user navigation and reduce bounce rates to around 30%.

NPTEL IIT Madras, IIIT Hyderabad

Teaching Assistant

August 2017 - August 2020

IIIT: IT Workshop 1&2, Big Data & Policing, Music Mind & Tech

NPTEL: Privacy and Security in Online Social Media

Mentored 900+ undergraduate students, teaching them scripting, web frameworks, data science & application security

EDUCATION

International Institute of Information Technology (IIIT), Hyderabad

2015-2020

B. Tech (Hons) in Computer Science

MS by Research in Computational Humanities

Manu D., Krishnan R., Kumaraguru P., “Exploring Shifts in Online Political Discourse: A Study of the 2014 and 2019 National Elections in India”, Annual Conference of the European Association of Political Science (EPSA), Prague, June 18-20, 2020

Manu D., Krishnan R., Kumaraguru P., “Analyzing how the Shift in Discourses on Social Media affected the Narrative around the Indian General Election 2019”, International Conference on Research in Social Sciences, Vienna, November 03-05, 2019

SKILLS

Programming & Scripting:

C/C++, Python, JavaScript, R, PHP

Web Technologies:

React, Gatsby, GraphQL, Web2py, NodeJS, HTML5

Others:

UX, Agile, Sketch, SQL, Git, Selenium, MVC, SDLC, Linux, Lucene, BaseX, OpenGL3, Ontology, Web 3.0, Leadership

PROJECTS

2019 Indian Elections in the Online Space

October 2018

Designed a real-time visualization portal for the Indian General Elections 2019 that provides analysis through Data Science tools as well as sociological methods to study the various discourses around the elections on Twitter.

2017 Gujarat Elections in the Public Space

April 2018

Analyzed the discourses on print and social media to find drastic deviance in public opinion about the topics discussed over the two mediums.

Location-based Privacy on Strava

November 2018

Developed an App that predicts the address of an user (within a 50m radius) through their publicly shared routes on the fitness social network - Strava

Improving Parsing Using Distributional Semantics

August 2017

Improved capabilities of a traditional CYK Parser to handle unknown words using distributional semantics.

Mini SQL Engine

August 2017

Developed a Mini SQL Engine in Python which was able to parse queries and perform basic SQL operations such as SELECT, FROM, WHERE along with aggregate and JOINS

Mini Shell

August 2017

Developed a mini shell which would support all basic linux commands such as ls, cd, mkdir etc. The shell also supported background processes, signal handling and avoiding Zombie Processes.

ACHIEVEMENTS

2019	Dean's List	IIIT-H
2018	Merit List	IIIT-H
2017	IIIT E-Cell Hackathon	Amazon
2015	Pratibha Scholarship	Aditya Birla Group
2015	Student of the Year	G.G. International School
2014	South Asian Finalist	Horlicks Wizkids
2013	Kaladeep Scholarship	G.G. International School

POSITIONS OF RESPONSIBILITY

2018	Student Placement Coordinator
2018	Apex Member
2017	Academic Help Cell Coordinator
2016	Cultural Representative
2016	Constitution Drafting Committee Member
2015	Head Boy

SOCIAL CAUSE

Vaatsalya: Against Child Sexual Abuse | Founder

Vidyaashram: People's Knowledge Movement | Volunteer
